The right glazing can make a big difference to the overall comfort of your home. Our three comfort packages offer various features and benefits dependent on your requirements.

- **PLANITHERM® Energy Standard:** captures the warmth from natural daylight, costing you less to keep your home warm
- **PLANITHERM® Comfort:** feel safer in your home and reduce external noise with "Secured by Design" glazing.
- **PLANITHERM® Comfort Plus:** offering the same benefits as Planitherm Comfort with the addition of reducing overheating. Suited to south and west facing rooms or large glazed areas such as patio or bi-fold doors.

If you are looking for a little privacy yet still want natural light to brighten your room, our range of patterned glass is ideal for front porchways or bathroom windows.
